**CONSTRUCTION 4.0 CONFERENCE
SPONSORSHIP PACKAGE**

**15
NOVEMBER**

Fletcher Building, 810 Great South Road, Penrose

ABOUT THE EVENT

HERA

This event is the inaugural Aotearoa New Zealand Construction 4.0 Conference. It will bring Construction 4.0 industry and research leaders together to discuss key items required to create a Construction 4.0 sectoral transformation. This will include an international keynote speaker from the Australian Building 4.0 CRC, along with expert panels, industry case studies and students presenting results from their research projects relating to Construction 4.0. Construction 4.0 related technology and service providers will also showcase their products during break-out sessions. The day will culminate in a fun networking opportunity.
